### About WM Technology

Founded in 2008, WM Technology operates Weedmaps, the leading cannabis marketplace for consumers, as well as a set of eCommerce and compliance software solutions for cannabis businesses and brands. WM Technology holds a strong belief in the power of cannabis and the importance of enabling safe, legal access to consumers worldwide.

Over the past 15 years, the Weedmaps marketplace has become the premier destination for cannabis consumers to discover and browse cannabis-related products, access daily dispensary deals, order ahead for pick-up and delivery (where applicable), and learn about the plant. The Company also offers eCommerce-enablement tools designed to help cannabis retailers and brands reach consumers, create business efficiency, and manage industry-specific compliance needs.

The Company is committed to advocating for full U.S. legalization, industry-wide social equity, and continued education about the plant through key partnerships and cannabis subject matter experts.

Headquartered in Irvine, California, WM Technology supports remote and hybrid work for eligible employees. Visit us at [www.weedmaps.com](https://www.weedmaps.com).
