**AMENDED AND RESTATED CHARTER OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS**

**Approved and Adopted by the Board of Directors: November 7, 2024
Effective: November 7, 2024**

PURPOSE

The purpose of the Compensation Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of WM Technology, Inc. (the “*Company*”) is to:

- help the Board oversee the Company’s compensation policies, plans and programs with a goal to attract, incentivize, retain and reward top quality executive management and employees;
- review and determine the compensation to be paid to the Company’s executive officers, senior management (in the Committee’s discretion) and directors;
- when required, review and discuss with management the Company’s compensation disclosures in the “Compensation Discussion and Analysis” section of the Company’s annual reports, registration statements, proxy statements or information statements filed with the Securities and Exchange Commission (the “*SEC*”); and
- when required, prepare and review the Committee report on executive compensation included in the Company’s annual proxy statement.

The term “compensation” includes salary, long-term incentives, bonuses, perquisites, equity incentives, severance arrangements, retirement benefits and other related benefits and benefit plans.

COMPOSITION

The members of the Committee, including the Chairperson, will be members of the Board appointed by, and will serve at the discretion of, the Board. Vacancies occurring on the Committee will be filled by the Board. Resignation or removal of a Committee member from the Board for any reason will automatically constitute resignation or removal from the Committee.

The Committee will consist of at least two members of the Board. Each member of the Committee will satisfy (i) the independence and other requirements imposed by applicable law and stock exchange listing requirements, (ii) the “non-employee director” requirements under Rule 16b-3 under the Securities Exchange Act of 1934, as amended, and (iii) any other qualifications determined by the Board.

AUTHORITY

The Committee will have access to all Company books, records, facilities and personnel as deemed necessary or appropriate by any member of the Committee. If the Committee concludes that it must retain legal, accounting or other outside advisors (including compensation consultants), it may do so only after assessing the independence of such consultant in accordance with Nasdaq Listing Rule 5605(d)(3) or the requirements of any stock exchange on which any of the Company’s capital stock is listed. The Committee shall have sole authority to approve the reasonable fees and the other terms and conditions of such

engagement, including authority to terminate the engagement. The Committee may also pay any ordinary administrative expenses it deems appropriate in carrying out its duties at the expense of the Company. The Company must provide for appropriate funding, as determined by the Committee, for payment of reasonable compensation to any such advisor retained by the Committee. Nothing in this provision requires the Committee to implement or act consistently with the advice or recommendations of any advisor or affects the ability or obligation of the Committee to exercise its own judgment in fulfillment of its duties. The Committee will have authority to require that any of the Company's personnel or outside advisors attend any meeting of the Committee or meet with any member of the Committee or any of its advisors.

The Chairperson shall have the delegated authority to act on behalf of the Committee in connection with (1) approval of the retention of compensation consultants and outside service providers and advisors (including negotiation and execution of their engagement letters) and (2) as may otherwise be determined by the Committee.

The Committee also may form and delegate authority to one or more subcommittees consisting of one or more members of the Board to the extent allowed under applicable law. If and when appropriate to satisfy the requirements of Section 16b-3 of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*"), any such subcommittee shall be composed solely of two or more members that have been determined to be "Non-Employee Directors" within the meaning of Rule 16b-3 under the Exchange Act. By delegating an issue to the Chairperson or a subcommittee, the Committee does not surrender any authority over that issue. Although the Committee may act on any issue that has been delegated to the Chairperson or a subcommittee, doing so will not limit or restrict future action by the Chairperson or subcommittee on any matters delegated to it. Any action or decision of the Chairperson or a subcommittee will be presented to the full Committee at its next scheduled meeting. By approving this Charter, the Board delegates authority to the Committee with respect to these responsibilities. The Committee may delegate to one or more officers of the Company the authority to grant, amend and/or administer awards of cash or options or other equity securities to any employees or other service providers of the Company who, in either case, are not executive officers (as defined below) of the Company under the Company's incentive-compensation or other equity-based plans as the Committee deems appropriate. Any such delegation must be made in accordance with the terms of the relevant plan, the Company's bylaws and applicable state law.

RESPONSIBILITIES

The Committee's responsibilities are for oversight, as described under "Purpose" above. The members of the Committee are not employees of the Company, and they do not perform management's functions. The Committee relies on the expertise and knowledge of management in carrying out its oversight responsibilities. The Committee shall have the following responsibilities; *provided, however*, that this list of responsibilities is intended to be a guide and to remain flexible to account for changing circumstances and needs. Accordingly, the Committee may depart from or supplement such responsibilities, and establish policies and procedures, to the extent permitted by applicable law and stock exchange listing requirements. The Board will retain the right to act on all such matters without limiting the Committee's authority, subject to compliance with applicable law and stock exchange listing requirements.

Overall Compensation Strategy. The Committee will review, oversee and approve (or make recommendations to the Board for approval of) the Company's overall compensation strategy and policies, including:

- reviewing, evaluating, and approving employment agreements, severance agreements, change-of-control protections, corporate performance goals and objectives relating to the compensation, and other compensatory arrangements of the Company's executive officers and other senior management and adjusting compensation, as appropriate;

- evaluating and approving the compensation plans and programs advisable for the Company and evaluating and approving the modification or termination of existing plans and programs;
- establishing equity compensation policies to appropriately balance the perceived value of equity compensation and the dilutive and other costs of that compensation to the Company;
- reviewing compensation practices and trends to assess the adequacy and competitiveness of the Company's executive compensation programs as compared to companies in the Company's industry and exercise its judgment in determining the appropriate levels and types of compensation to be paid;
- reviewing and approving any compensation arrangement for any executive officer involving any subsidiary, special purpose or similar entity, with consideration of the potential for conflicts of interest in such arrangements and whether the arrangement has the potential to benefit the Company;
- monitoring the Company's compliance with the requirements of the Sarbanes Oxley Act of 2002 relating to loans to officers and directors and with all other applicable laws affecting employee compensation and benefits;
- reviewing the Company's practices and policies of employee compensation as they relate to risk management and risk-taking incentives, to determine if such compensation policies and practices are reasonably likely to have a material adverse effect on the Company;
- evaluating the efficacy of the Company's compensation policy and strategy in achieving expected benefits to the Company and otherwise furthering the Committee's policies; and
- evaluating the efficacy of the Company's compensation policy and strategy in achieving gender pay parity, positive social impact and attracting a diverse workforce.

Compensation of Chief Executive Officer. The Committee will review and approve annually (or make recommendations to the Board for approval of) the compensation and other terms of employment of the Company's Chief Executive Officer and evaluate the Chief Executive Officer's performance in achieving corporate performance goals and objectives. The evaluation will take into account the policies of the Committee and the criteria for evaluating the Chief Executive Officer's performance including:

- fostering a corporate culture that promotes the highest level of innovation, integrity and the highest ethical standards;
- developing and executing the Company's long-term strategic plan and conducting the business of the Company in a manner appropriate to enhance long-term stockholder value;
- achieving specified corporate goals and objectives; and
- achieving other individual or corporate goals and objectives deemed relevant to the Chief Executive Officer as established by the Committee.

In determining any long-term incentive component of the Chief Executive Officer's compensation, the Committee should seek to achieve an appropriate level of risk and reward, taking into consideration the Company's long-term performance, need for a sustainable pipeline of products and relative stockholder return, the potential benefits and costs to the Company of the award, the value of similar incentive awards

given to chief executive officers of comparable companies, the awards given to the Chief Executive Officer in past years and such other criteria as the Committee deems advisable. Based on its evaluation, the Committee shall determine and approve, or recommend to the Board for determination and approval, the compensation and other terms of employment of the Chief Executive Officer. The Chief Executive Officer may not be present during the voting or deliberations regarding his or her compensation.

Compensation of Other Executive Officers and Senior Management. The Committee will review and approve (or make recommendations to the Board for approval of) the compensation, individual and corporate performance goals and objectives and other terms of employment of the Company's other executive officers (and other members of senior management in the Committee's discretion) and evaluate their individual performance, taking into account the recommendations and evaluation of the Chief Executive Officer to the extent the Committee deems appropriate.

Compensation of Directors. The Committee will periodically review the compensation paid to non-employee directors for their service on the Board and its committees and approve (or recommend to the Board for approval) any changes considered appropriate to the type and amount of compensation (including consulting, retainer, meeting, committee and committee chair fees, as well as any equity awards) to be paid or awarded.

Perquisites. If the Committee determines to be necessary or appropriate, establish and periodically review policies and any agreements providing perquisites for directors, executive officers, or other senior management, provided that any perquisites for non-executive officer members of the Board must be recommended to the full Board.

Peer Group. Review and approve the list of companies, if any, to be included in any compensation peer group used to determine pay levels based on criteria the Committee deems appropriate.

Employment and Post-Employment Arrangements. Review and approve, or recommend to the full Board, any employment or post-employment agreement or arrangement (including severance and change in control benefits) applicable to any of the Company's executive officers and such other employees of the Company as the Committee may determine in its discretion.

Risk Management. The Committee will review the Company's practices and policies of employee compensation as they relate to risk management and risk-taking incentives, to determine if such compensation policies and practices are reasonably likely to have a material adverse effect on the Company, and take such determinations into account in discharging the Committee's responsibilities.

Review of Compensation Advisor Independence. The Committee will review and discuss with management, if appropriate, the independence of any compensation consultant, outside legal counsel or any such other advisor engaged by the Committee and how such conflict is being addressed for disclosure in the appropriate report or filing in accordance with applicable law and stock exchange requirements.

Administration of Benefit Plans. The Committee will have full power and authority to adopt, amend, terminate, and administer the Company's equity awards, pension, and profit sharing plans, bonus plans, benefit plans and other similar programs. The Committee will have full power and authority to administer these plans, establish guidelines, interpret plan documents, select participants, approve grants and awards, approve modifications to awards and exercise other power, as appropriate.

The Committee will review and discuss with management any "Compensation Discussion and Analysis" ("**CD&A**") to be included in the Company's annual proxy statement or annual report on Form 10-K, in accordance with the rules of the SEC, and, based on that review and discussion, determine whether or not to recommend to the Board of

Directors that the CD&A be included in the Company's annual proxy statement or annual report on Form 10-K, as applicable and prepare the compensation committee report on executive officer compensation as required by the SEC to be included in the Company's annual proxy statement or annual report on Form 10-K filed with the SEC.

The Committee shall provide recommendations to the Board on compensation-related proposals to be considered at the Company's annual meeting of stockholders, including the frequency of advisory votes on executive compensation if required by Section 14A of the Exchange Act and the rules and regulations promulgated thereunder. The Committee will review and consider the results of any advisory vote on executive compensation.

Conflict of Interest Disclosure. The Committee will review and discuss with management any conflicts of interest raised by the work of a compensation consultant or advisor hired by the Committee or management and how such conflict is being addressed, and prepare any necessary disclosure in the Company's annual proxy statement in accordance with applicable law and stock exchange requirements.

Committee Self-Assessment; Charter Review. The Committee will annually evaluate its performance. The Committee shall also review and assess the adequacy of this Charter annually and shall recommend any proposed changes to the Board for its consideration.

The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities. The Chief Executive Officer may not be present during voting or deliberations by the Committee regarding the compensation of the Chief Executive Officer.
